

borrower at whatever frequency is determined necessary to adequately monitor the loan. Quarterly financial statements will be required on new business enterprises or those needing close monitoring.

(d) *Minimum requirements.* This section sets out minimum requirements for audited and unaudited financial statements to be submitted to the Agency. If specific circumstances warrant, the Agency may require audited financial statements or independent unaudited financial statements in excess of the minimum requirements. For example, loans that depend heavily on inventory and accounts receivable for collateral will normally be audited, regardless of the size of the loan. Nothing in this section shall be considered an impediment to the lender requiring financial statements more frequently than required by the Agency or requiring audited financial statements when the Agency would accept unaudited financial statements.

(e) *Public bodies and nonprofit corporations.* Notwithstanding other provisions of this section, any public body or nonprofit corporation that receives a guarantee of a loan that meets the thresholds established by OMB Circular A-128 or A-133 for coverage under such circular, must provide an audit in accordance with the applicable OMB Circular A-128 or A-133 for the fiscal year of the borrower in which the Loan Note Guarantee is issued. If the loan is for development or purchases made in a previous fiscal year through interim financing, an audit, in accordance with the applicable circular, will also be provided for the fiscal year in which the development or purchases occurred. Any audit provided by a public body or nonprofit corporation in compliance with OMB Circular A-128 or A-133 will be considered adequate to meet the requirements of this section for that year. OMB Circulars are available from the Office of Management and Budget, EOP Publications Office, 725 17th Street, NW., Room 2200, New Executive Office Building, Washington, DC 20503.
